ABSTRACT.

States that from the year 1858 up to 1869 he was practising as a Vakeel in the Civil Courts after the establishment of Jud. Asstt Court & Munsiffs' Courts it was ordered that only pleaders who have passed the required Examinations should plead in Courts and not others: thus from the year 1870 Petr has not been practising. Petr is qualified to conduct cases as he has read the laws and rules. Petr addressed three Petns to the Jud Court who simply returned the Enclosures of the Petns. Petr cannot see why he cannot be a native of the

Province should not be allowed to practise in Courts and earn his livelihood while strangers are allowed. In the Madras Presidency one is required to pass the prescribed tests; and as soon as he passes them he is allowed to plead in Courts; here no tests are prescribed.

Under the foregoing circumstances Peter begs that he may be allowed to practise in Civil Courts.

ABSTRACT.

States that when he and other old Vakeels at Mysore complained to the Govt of India that the introduction of the Pleaders system into the Province had deprived them of their means of livelihood, they received an order to the effect that their petition was forwarded to the Chief Court for disposal. The Chief Court introduced an Examination called the Second Class Pleaders Test which has only increased the difficulties in Petn's way; a concession however was made in the case of the old Vakils - respectable and having no other means of livelihood - who were

practice in the Lower Courts without being required to pass any Examination. Peter fully trusting that the benefit of the benevolent concession would be extended to him, made an application thereto to the Mayor Dy Comr enclosing therein his certificates and a list shewing the cases for which he had appeared. The Dy Comr pronounced that Peter was not eligible to be included under the concession clause. Peter then addressed the Just Comr from whom he has not yet received any reply.

Ever since the introduction of the Pleaders system into this Province Peter has been earning his livelihood by practising as a Vakil in the Just Sests' Comrs' the Asst's and the Moonsiffs Courts. The certificates granted to him by judges speak favorably of him. He is unable to pass the new test being 41 years of age. Begs that after enquiry into the truth of the above statements he be allowed to practise in the Courts without being required to pass the Test.

ABSTRACT.

Complains that he was earning his livelihood by practice in the Courts at Mysore from 1858 to 1869, when the Judicial Comr who was then appointed ruled that none should practise in the Courts except after passing the (prescribed) test.

"Their" Petn of 1877 to the Govt of India complaining of "their" loss of livelihood, was referred to the Chief Comr, who replied in Enclosure No. 141 that the matter would come be taken into consideration.

In 1878 it was notified in the Gazette that the candidates for the Second Class Pleaders Test which was then introduced, should send in their applications from 1st to 30th April with a fee of Rs 8—

Petr went up for the Examination (last year), but failed owing to a deficiency of 30 marks. Petr has since been preparing for the examination under the belief that applications would be received between 1st & 30th April this year, but to his disappointment, Petr meanwhile hears that it was notified in the Gazette that the above examination would not now be held. Petr questions why the examination which was once notified to be held every year should now be discontinued.

On removing this local test, what other examination will be introduced and what its subjects are, Petr begs to be informed. He also requests that the Second Class Pleaders who are now practising in Courts may also be ordered to appear for the new test along with Petr.
